Running, Walking and Cycling

Active travel is great for improving mental and physical wellbeing, saving money, improving air quality, reducing carbon emissions and reducing local traffic congestion. There are some great routes for running, walking and cycling from Waverley to many local facilities and employment areas including the Advanced Manufacturing Park and Meadowhall.

Whether it's training for your next big sporting event or a leisurely weekend jog, joining a club is a great way to learn more about walking, running and cycling, meet like minded people and grow your passion for active travel.

Car Sharing

Increasing fuel prices hit pockets hard and if active travel isn't your thing then sharing the car with a friend may be the way for you. You'll be removing a vehicle off the road whilst still enjoying your own music and convenience of a car.
To find a car share partner speak with friends and colleagues to find someone who lives nearby or alternatively try Lift Share! - https://liftshare.com/uk

YOUR SUSTAINABLE TRAVEL GUIDE

Dear Waverley Resident,

Waverley has a Travel plan and a key action is to provide all residents with their very own Travel Pack. As part of this pack, you'll be introduced to the local travel options within the local area, including useful information on public transport services, local walking and cycling routes, initiatives and services available within Rotherham. The aim of this travel pack is to help you get the best out of available travel options and enjoy the many benefits that sustainable travel has to bring!

- Improve health and wellbeing;
- Reduce travel costs;
- Reduce travel times;
- Help save you money;
- Improve road safety; and
- Create a clean, vibrant local community.

Travel Survey

Completing the survey helps us understand residents travel behaviour and promote sustainable travel effectively. To say thank you for completing the survey you will be entered into a prize draw to **win £500 worth of vouchers!**

1dayaweek - Monthly Prize Draw

To help encourage you to leave the car at home more often, we will be running a monthly prize draws where residents who leave the car at home can win great prizes. To enter simply follow 1dayaweek on social media and post a selfie arriving at work without the car and include #my1DAW #Waverley. Keep an eye out for more information coming through your letterbox!

If you need any more information on travel options please do not hesitate to get in touch!
